

EC-CERTIFICATE OF CONFORMITY

0970-CPD-0007/CE/FPC/07

In accordance with the Directive 89/106/EEC of the Council of European Communities of 21 December 1988 on the harmonization of laws, regulations and administrative provisions of the Member States relating to the construction products (Construction Products Directive - CPD), amended by the Directive 93/68/EEC of the Council of European Communities of 22 July 1993, it has been stated that the External Thermal Insulation Composite System with rendering

“MARCOTHERM”

placed on the market by

Colorificio San Marco SpA

Via Alta, 10 – 30020 Marcon (VE)

and produced in the factory of

Marcon (VE)

is submitted by the Manufacturer to the factory production control and to further tests of samples taken from the factory in accordance with a prescribed test schedule and that ITC has checked the documents relating to the initial type-testing for the relevant characteristics, to the initial inspection performed at the factory and to the factory production control that ITC itself had performed as an Approval Body in the framework of the ETA issuing procedure indicated below and that it carries out the continuous surveillance, evaluation and approval of the factory production control. This certificate attests that all the actions concerning the attestation of conformity of the factory production control described in chapter 3 of

ETA 07/0015

were applied and that the product fulfils all the prescribed requirements.

This certificate is first issued on 2007/03/20 and remains valid as long as the conditions laid down in the European Technical Approval concerned or the manufacturing conditions in the factory or the FPC itself are not modified significantly, and anyway until 2012/01/21 at the latest.

San Giuliano Milanese, 2007/03/20
